The Journey of Love

ORRA

PLATINUM

100% PLATINUM 950/1000

*I*t starts with a soft flutter in one's heart. Catching you at a time you can't predict and a place you least expect, love changes every life forever. Some would argue it is one of the most natural feelings known to man, but we believe it is the greatest. Presenting a collection of rings that draw inspiration from love and every turn its journey takes you on. Intricately sculpted by Belgian craftsmen, Orna offers the finest diamonds set in the purest and rarest of all metals - platinum. Be it a perfectly sculpted solitaire or a classically handcrafted diamond ring, at Orna there is a diamond for every occasion.

The Proposal

It's the moment every woman dreams of.

The day that special someone declares his love and everlasting commitment. And what better way to start a new journey than with the perfect ring.

Choose from a mélange of finely crafted bridal rings with a choice of Belgian solitaires and diamonds placed in settings of your desire.

PSM09008

While a set of diamonds adorn the sides, the other nestles an exquisite center stone to enhance the elegance of this engagement ring.

PSM09007

A clutch of fine diamonds adorns the side, while an exquisite solitaire sits atop as an expression of your commitment.

PSM09003

A magnificent solitaire and delicate, channel-set baguettes eternally couple to enhance the charisma of this engagement ring.

JRG09008

An exquisite solitaire, set in four prongs, sits atop singularly to symbolize your one true love.

PSM09001

A splendid mélange of diamonds and dewdrop groovings come together to intensify the brilliance of a stunning solitaire in this fine wedding ring.

PSM09009

Paved diamonds embed the shanks, as four prongs clutch an exquisite round solitaire giving this ring an elegant and eternal look.

PSM09004

An infinite journey begins with this bridal eternity ring where micro-pronged diamonds line the sides and bring a fine solitaire to the fore.

PSM09002

A graceful swirl of delicate stones converge perfectly into the brilliant solitaire set in the center.

PSM09006

A delicate micro-pronged string of diamonds beautifully set off an exquisite solitaire in this classic engagement ring.

PSM09005

An elegant knot with paved diamonds on the sides and an exquisite center stone offer a fine tribute to your wedding vows.

**All products are available in a choice of metals and mountings.*

Kohinoor Collection

make your memories even more special.

PRG09006

Six prongs raise a splendid solitaire over a sleek band of platinum in this beautiful daily wear ring.

PRG07066

Pure platinum elegantly curves to embrace an exquisite solitaire set in a six pronged basket to add a sparkle to every occasion.

PRG09068

A flawless solitaire sits atop a classic mould of platinum, leaving an impression that is bold yet refined.

PRG07062

A delicate swirl of platinum caresses a brilliant solitaire nestled by six prongs in this intricately designed daily wear ring.

The Renewal of Love

Love is eternal. But ever so often, there comes a time when one needs to strengthen the bond of love even further. And what better way to renew your commitment than with platinum—a metal as rare and timeless as your love. Choose from 'his' and 'her' eternity bands where Belgian diamonds and platinum come together like never before as a symbol of your everlasting union.

PRG09053/PMR09052

Fine diamonds set in micro-prong mingle with the elegance of platinum in these exquisitely crafted couple rings.

PMR09051/PRG09050

As swirls of precious platinum wrap your finger, graceful lines of diamonds add a touch of brilliance to these eternal rings.

PRG09058/PRG09059

The flawless and rare come together in these classic eternity rings, symbolizing a union as perfect as yours.

PRG09056/PMR09057

Precious diamonds adorn the elegant curves of platinum, making these couple rings the perfect choice for an everlasting commitment.
